STOMACHS ON STILTS.

The man who puts on stilts does not increase his actual stature. He only feels taller. Stimulants are the stilts of the stomach. They make a man feel better for the time being, but he feels a great deal worse for them afterward.

The need of the man whose stomach is "weak" is not stimulation, but strength. Dr. Pierce's Golden Medical Discovery perfectly answers that need. It contains no alcohol or whisky. It cures the weak, foul stomach with its attendant bad smelling breath, coated tongue, bad taste, poor appetite and kindred symptoms.

In the year 1890 I had an attack of indigestion and got so bad that my home doctor said he could not do me any good. I wrote Mr. G. Treat, of Gordonville, Texas, and he advised me to use Dr. Pierce's Golden Medical Discovery. I bought six bottles, and when I commenced using it I was so weak I could hardly walk about the house. By the time I had used one bottle my stomach and bowels commenced to heal. There were strips of the lining of my stomach or bowels (I don't know which) as large as a man's two fingers passed and I had a good deal of misery in my stomach and bowels, and also in the rectum. I could not eat anything without having much distress afterward, but by the time I had taken eight bottles of the Golden Medical Discovery I was sound and well, and could eat anything I pleased without suffering in the least. Could also do as much work in a day as I ever could. I have not suffered from the trouble since, and it was four years ago that I was so sick.

The sole motive for substitution is to permit the dealer to make a little more profit. He gains; you lose. Accept no substitute for "Golden Medical Discovery."

Constipation causes and aggravates many serious diseases. It is thoroughly cured by Dr. Pierce's Pleasant Pellets.

HAIR NATURALLY ABUNDANT.

When It Is Free of Dandruff, It Grows Luxuriantly.

Hair preparations and dandruff cures, as a rule, are sticky or irritating affairs that do no earthly good. Hair, when not diseased, grows naturally, luxuriantly. Dandruff is the cause of nine-tenths of all hair trouble, and dandruff is caused by a germ. The only way to cure dandruff is to kill the germ; and so far, the only hair preparation that will positively destroy the germ is Newbry's Herpicide—absolutely harmless, free from grease, sediment, dye matter or dangerous drugs. It allays itching instantly; makes hair glossy and soft as silk. "Destroy the cause, you remove the effect." Sold by leading druggists. Send 10c. in stamps for sample to The Herpicide Co., Detroit, Mich.

Two Dyspeptics

If you are too fat it is because your food turns to fat instead of muscle—strength. If you are too lean it is because the food that you eat are not properly digested and assimilated.

Lean, thin, stringy people do not have enough Pepsin in the stomach, while fat people have too much Pepsin and not enough Pancreatine.

Kodol Dyspepsia Cure

contains all the digestive juices that are found in a healthy stomach, and in exactly those proportions necessary to enable the stomach and digestive organs to digest and assimilate all foods that may be eaten. Kodol is not only a perfect digestant but it is a reconstructive, tissue building tonic as well. Kodol cures Indigestion, Dyspepsia, Sour Stomach, Heartburn, Palpitation of the Heart and Constipation. You will like it.

Digests What You Eat

Rests the stomach, rebuilds the tissues and gives firm flesh.

Dollar bottle holds 24 times as much as the trial, or 50 cent size.

Encyclical Letter.

Pope X has just addressed an encyclical letter to all the prelates and others in the Roman Catholic communion which is considered the broadest and most far-reaching document which he has written since his elevation. The encyclical has just come to the apostolic delegation in Washington in the Latin form and will soon be sent throughout the country. The contents, however, were known to the American hierarchy at the time of their conference in Washington last week, and formed the principal topic of discussion.

According to the prelates, the encyclical is especially important, since it speaks authoritatively on subjects which are now harassing the American secular as well as religious world. Pope Pius speaks in positive terms on the vital importance of moral teachings for young and old and of the influence of religious instruction on the nation as well as the individual. He makes a general review of the deplorable condition of the world at the present time, and suggests the remedy lies in knowing more clearly and following more devoutly the teachings of Christianity. For Catholics, he makes it imperative to study the catechism in order to build upward from a firm foundation. To the bishops throughout the world he makes the command that they teach and preach faithfully and constantly to secure this firm foundation.

Part of the encyclical, according to the church authorities, is timely in this country, where trusts, "tainted money" and kindred topics are engrossing so much attention.

Urges Simple Funerals.

The reading of a paper on reform in conducting funerals, by Rev. Dr. L. M. Zimmerman, of Christ Church, Baltimore, was a feature of the Eastern conference of the Maryland Synod of the Lutheran Church, which met yesterday at St. Luke's Church, Hampton.

In part, Mr. Zimmerman said: "Long lines of hacks, long bands of crepe, long addresses of eulogy, long lines of curiosity seekers, long lists of unnecessary expenses, should all be abbreviated. Often money is extravagantly expended at what we call Christian burials. Let the hour be one of privacy among the immediate members of the family, and the closest of friends, and not mere acquaintances. I would also recommend less extravagance in flowers. I believe in flowers as a sentiment, which many love to have satisfied. Let there be a few to make the mound look more like a garden in which was a sepulcher wherein was laid the body of our Lord and Master, but do not reserve all for the dead. Rather give more to the living, and at death instead of giving so much for the dead, give some of that money to the widow and children for food and clothing. Again, I would recommend retiring from the grave immediately after the service. Pneumonia, consumption and the like are but the natural result of prolonged services, and the undertaker's business is naturally increased. I would recommend the burial service to be held the night previous to the burial. This would enable those to attend who otherwise are often prevented."

Battleships in Race.

News of an eight-hour ocean race, in which seven big United States battleships participated, was carried to New York yesterday by the battleship Alabama, which arrived in command of Rear Admiral Charles H. Davis, and will go to the navy yard to be overhauled because of the poor showing which she made in the contest.

The ships were coming up the coast last Saturday and were about 200 miles south of Cape Henry when the word was given for a speed test. For two hours it was nip-and-tuck, there being scarcely a change in the relative positions of the participants. By that time excitement was running high on board the battleships and the speed contest had developed into a race.

Finally the Massachusetts and the Alabama began to fall behind, and when the signal ending the race was flashed both these ships were far in the rear. The Alabama, which has the record of being one of the fastest battleships in the navy, was fully a mile and a half behind the Massachusetts.

At the finish the battleship Missouri, which had drawn away from the others, was only 73 miles south of Cape Henry, having covered 126 miles in the eight hours.

During the last six hours of the race the battleships were under forced draft. With the exception of the Alabama, all the vessels went to Hampton roads.

Strictly Genuine.

Most of the patent medicine testimonials are utterly genuine. The following recently appeared in the Aitchison (Kan.) Globe: "Joe Jack, a well-known engineer running on the Missouri Pacific between Wichita and Kiowa, lately appeared in a big one, with a picture, and when he was in this office today, we asked him about it. He says he had terrible pains in his stomach, and thought he had cancer. His druggist recommended Kodol and he says it cured him. He recommended it to others who were also cured." Kodol Dyspepsia Cure digests what you eat and cures all stomach troubles. Sold by W. F. Creighton, 401 King Street, and corner Queen and Patrick streets.

Japanese God's Scourage?

The Evangelische Kirchen Zeitung of Berlin yesterday prints a detailed report of Emperor William's remarks when swearing in the naval recruits at Wilhelmshaven on March 9, in which, according to the very brief report published at the time, he cited the Japanese as a luminous example of patriotism and soldierly fidelity. The Kirchen Zeitung's resume of the speech is as follows: "The Emperor referred to the heroic deeds of the Japanese, and added that these are born of Japanese patriotism and love for children, which, in turn, resulted in splendid discipline in the army and navy. One must not, however, draw the conclusion from Japanese victories—victories of a heathen over a Christian people—that Buddha is superior to our Lord Christ. The Russian's defeat, in his opinion, was due to the fact that Russian Christianity was in a deplorable condition. The Japanese, on the other hand, could show many Christian virtues. A good Christian makes a good soldier. Among the German people, too, Christianity is in a sad condition; and he doubted whether we Germans, in case of war, would have the right to pray God for victory, to force it from Him like Jacob wrestling with the angel. The Japanese are the scourge of God, like Attila and Napoleon. It devolves upon us to take care that God does not chastise us some day with such a scourge."
